

-Examples-

New seating in our stadium offers the opportunity to honor individuals or events with a permanent engraved memorial. For a donation of \$30.00 you can have a permanent commemorative brass engraving that will be affixed to a seat in the upper left seat back position (facing field). These commemorative plaques are a wonderful way to celebrate an individual, event or accomplishment. Your donation will help support all student athletes of E.A. Laney High School.

If you are interested please contact Alan Sewell at the following address.**

Mr. Alan Sewell
