The National Honor Society (NHS) recognizes juniors and seniors who achieve excellence in the areas of scholarship, character, leadership, and service. If you have been invited to apply to the WECHS chapter of NHS, you have met the scholarship criteria by earning a cumulative, unweighted grade point average of 3.5 or higher.

The selection committee will assess your character through a process involving analysis of your official school records. They will also review the two recommendation forms submitted by a former teacher and a community member. These forms are included in this packet and should be given to respondents in a timely manner. Please do not ask for formal letters in addition to these forms.

The main purpose of this application is for you to inform the selection committee of your history of leadership and service. On the following pages, carefully explain your leadership and service experiences in detail. The committee is looking for consistent examples of leadership and service over an extended period of time. For the purposes of this application, your high school career started upon your entrance in the ninth-grade year.

For sections of the application that require signatures, you must have the signature of an adult in that section. If you can no longer contact the person who was in charge,

_____ However, please be aware that multiple parent signatures suggest to the faculty committee that you did not take the time or make an effort to acquire other signatures. Faxed or photocopied signatures are acceptable.
